Ahmed Almadhoun

Mobile Software Engineer

CONTACT

Phone: +970-567-746-416 · **Email**: ahmed2madhoun2@gmail.com

SKILLS

Core technical skills:

- Flutter · Dart · Android · Kotlin · Jetpack Compose · Bloc / Cubit · Kotlin Multiplatform (KMP) · Android SDK · Android Jetpack (Coroutines, Flow, Lifecycle) · REST APIs.

Additional tools & patterns:

- AI Tools · Firebase · Hilt / Koin · CI/CD (GitHub Actions/GitLab CI) · Unit & Integration Testing · TDD · Git · NFC & QR integrations · Performance optimization · Modularization · Clean Architecture · MVI / MVVM · Swift (iOS).

EXPERIENCE

Senior Flutter Engineer

Event Masters | May 2025 – Aug 2025

- Developed and maintained multiple company apps using Flutter & Dart, including Event Masters Freelancers and Event Masters Promotions.
- Built the Academy module in Freelancers: designed course flows, integrated backend APIs, and implemented onboarding UX.
- Refactored legacy features and re-engineered code paths to improve responsiveness and maintainability.
- Led performance monitoring and cross-platform optimization efforts to enhance app stability and user experience.

Android Engineer

Saving Solutions Company

- Developed Zaheed a large-scale Android e-commerce app using Kotlin & Jetpack Compose.
- Implemented secure payment gateway, complex UI flows, and efficient pagination for large product catalogs.
- Optimized UI rendering and memory usage, resulting in 30% improved scrolling performance and reduced memory consumption.

Mobile Software Engineer

Cue Tech

- Developed and shipped Aman (cross-platform, Flutter) and Cue (Android), focusing on secure data sharing and high performance.
- Implemented NFC & QR-based data flows and end-to-end encryption to secure emergency data exchanges.
- Optimized system performance, improving data transfer speed by 20%, increasing reliability under high-pressure scenarios.
- Delivered features from architecture to release; collaborated with backend and design teams to ensure seamless integrations.

EDUCATION

Islamic University of Gaza — Bachelor's degree | Sep 2018 – Sep 2022
Mobile Computing and Smart Device Applications

CERTIFICATES

Using AI as a Personal Assistant — Training
Gaza Sky Geeks — Issued Jun 2025

**SkillStack Paths (Fundamentals and
Data Structures and Algorithms part)**
Gaza Sky Geeks — Issued Jun 2025

Project Management
Coursera
